Admin. Code Chapter ATCP 134, applicable local ordinances, and common law. Both parties shall obey all governmental orders, rules and regulations related to the premises, including local housing codes.

POSSESSION/ABANDONMENT: Landlord shall give Tenant possession of the Premises as provided herein. Until the expiration date and time specified in the Lease, and so long as the Tenant is not in default, Tenant has the right to exclusive possession of the premises, except as hereafter provided. Tenant shall vacate the Premises and return all of Landlord's property promptly upon the expiration of this Lease, including any extension or renewal, or its termination in accordance with its terms or the law. If Tenant abandons the Premises before expiration or termination of this Lease, its extension or renewal, or if the tenancy is terminated for Tenant's breach of Lease, Landlord shall make reasonable efforts to re-rent the Premises and apply any rent received, less cost of re-renting, to Tenant's obligations under this Lease. Tenant shall remain liable for any deficiency. If Tenant leaves personal property on the premises after Tenant vacates or abandons the Premises, Landlord shall dispose of the property and not store it for any period of time except as provided in Wis. Stat. 704.05(5). Landlord hereby gives notice that, except for medical items covered by Wis. Stat. 704.05(5)(am), Landlord does not intend to store personal property left behind by Tenant.

GUESTS: Tenant shall use the Premises for residential purposes only and may not operate any businesses out of the Premises, including but not limited to: daycare centers, group homes, retail sales, etc. Neither party may (1) make or knowingly permit use of the Premises for any unlawful purpose, (2) engage in activities which unduly disturb neighbors or Tenants in the building in which the Premises are located, or (3) do, use or keep in or about the Premises anything which would adversely affect coverage under a standard fire and extended insurance policy. Tenant shall be liable for any property damage, waste or neglect caused by the negligence or improper use of the Premises or the building or development in which they are located. Tenant is responsible for the conduct of any guest, and financially responsible for any damages, cleaning charges or any other liability resulting from the negligence of Tenant or Tenant's guests.

MAINTENANCE: Landlord, under section 704.07, shall keep the structure of the building in which the Premises are located and those portions of the building and equipment under Landlord's control in a reasonable state of repair. Tenant shall fully cooperate with Landlord's performance of maintenance. Tenant shall maintain the Premises under Tenant's control in a clean state. Tenant shall not commit waste, neglect the premises, nor damage the Premises during the Lease term, normal wear and tear excepted. Tenant shall not, without written approval of Landlord, physically alter or redecorate the Premises, cause any contractor's lien to attach to the Premises, or alter the appearance of the Premises or the property of which it is a part. Landlord shall keep heating equipment in a safe and operable condition. Whichever party is obligated to provide heat for the Premises shall maintain a reasonable level of heating to prevent damage to the Premises and the building in which they are located. Landlord shall give Tenant written notice of the parties' responsibilities regarding the maintenance of smoke detectors required under any applicable local ordinances and each party shall fulfill its responsibility under those rules.

BREACH/TERMINATION: Failure of either party to comply substantially with any material provision hereof is a breach of the Lease. Should Tenant neglect or fail to perform and observe any of the terms of the Lease, Landlord shall give Tenant written notice of such breach requiring Tenant to remedy the breach or vacate the Premises on or before a date at least 5 days after the giving of such notice, and if Tenant fails to comply with such notice, Landlord may declare this tenancy terminated and institute action to expel Tenant from the leased Premises without limiting the liability of Tenant for the rent due or to become due under this Lease. If Tenant has been given such notice and has remedied the breach or been permitted to remain in the Premises, and within one year of such previous breach Tenant commits a similar breach, this Lease may be terminated if, before the breach has been remedied, Landlord gives notice to Tenant to vacate on or before a date at least 14 days after the giving of the notice as provided in sec. 704.17, Wis. Stats. This provision shall apply to any Lease term. If Landlord commits a breach, Tenant has rights, under Wis. Stats. Chap. 704.07 and under Wis. Admin. Code Chap. ATCP 134. If landlord delays or fails to exercise lease rights, pursue remedies, give notices, or make demands, Tenant will not consider it a waiver of landlord's rights

CODE VIOLATIONS/ADVERSE CONDITIONS: If the Premises or the common areas of the building are currently cited for uncorrected building or housing code violations, or Landlord has actual knowledge of conditions that present a significant threat to Tenant's health or safety these conditions are listed under Special Provisions, or on a separate addendum to this Lease, which must be signed by Tenant before this Lease is signed or any deposit is accepted.

EFFECTIVE DATE/RIGHT OF REFUSAL: Tenant agrees that the terms of the Lease and any addendums become effective as of the date Tenant signs the Lease. Until Landlord has executed this Lease, Landlord shall have the unrestricted right to refuse acceptance of Tenant for any reason. Such refusal shall not be based; however, on Tenant's race, religion, sex, national origin, or other protected class. If Landlord refuses to execute this Lease, Landlord shall refund to Tenant any security deposit and previously paid rent. US Federal (15 U.S.C. § 7001) and Wisconsin State laws (Wis. Stat. § 137.15) provide for the validity of electronic signatures. Electronic contracts and electronic signatures are just as legal and enforceable as paper contracts signed in ink. I acknowledge that placing my electronic signature on this document is equivalent to a handwritten signature.

DAMAGE BY CASUALTY: If the Premises are partially damaged by fire, water, or other casualty, the Premises shall be repaired as soon as reasonably possible by Landlord, and rent abates to the extent the Tenant is deprived of the full normal use of the premises. If the damage is so extensive as to render the Premises untenable, the rent shall abate until the repairs are made; or this Lease may be terminated by either Tenant or Landlord and the rent pro-rated to the date of damage unless Landlord proceeds promptly to repair or rebuild the premises. In the event the fire, water, or other casualty is caused by the negligence or improper use of Tenant, Tenant agrees to compensate Landlord for all costs incurred as a result of the damage, and rent shall not abate during the period of repair.

ENTRY: Tenant agrees to allow Landlord and Landlord's agent(s) to enter the Premises at reasonable times for showings to prospective Tenants with 12 hours advance notice, and for showings to prospective purchasers, for inspections, or to make repairs with 12 hours advance notice, or any time when Landlord or Landlord's agent has reason to believe a health or safety emergency exists. Tenant agrees that Landlord or Landlord's agent is able to provide Notice of entry to Tenant by telephone, email, or in writing but may do so solely via email. **TENANT AGREES THAT A REQUEST FOR MAINTENANCE BY TENANT GIVES LANDLORD OR LANDLORD'S AGENT PERMISSION TO ENTER THE PREMISES WITHOUT FURTHER NOTICE.** Landlord / Agent retains the right to enter the unit for any and all emergency situations without prior notice. Improper denial of access to the Premises is a material breach of the Lease.

STATUTE COMPLIANCE: Nothing in this Lease or any addendum shall: (a) require payment, by Tenant, of attorneys' fees or costs incurred by Landlord in any legal action or dispute arising under the Lease, unless recovered by Landlord pursuant to court order under Chapter 799 or 814 of the Wisconsin Statutes; (b) relieve, or purport to relieve, Landlord from liability for property damage or personal injury caused by negligent acts or omissions of Landlord; (c) impose or purport to impose liability on Tenant for personal injury arising from causes clearly beyond Tenant's control or property damage caused by natural disasters, or by persons other than Tenant, or Tenant's occupants, guests, or invitees; (d) waive any statutory or other legal obligations on the part of Landlord to deliver the premises in a fit or habitable condition, or maintain the premises during tenancy; (e) authorize Tenant's eviction or exclusion from the premises other than by judicial eviction procedures as provided in Chapter 799 of the Wisconsin Statutes; or (f) authorize Landlord to terminate the tenancy based solely on the commission of a crime in or on the rental property if Tenant, or someone who lawfully resides with Tenant, is the victim, as defined by s. 950.02(4), of that crime.

RELEASE OF OWNER: Except to the extent of Liability (if any) for property damage or personal injury caused by negligent acts or omissions of Landlord: (a) Landlord is not responsible for any injury, property damage or loss sustained and/or caused by Tenant and/or Tenant's guests; and (b) Tenant expressly waives claims against Landlord for any such injury, damage or loss. Tenant agrees to release Landlord from responsibility and indemnify Landlord for any damage, loss or injury caused by any other person occupying the Unit, or for damages which result from any Tenant acts of failure to act; provided, however, that the foregoing shall not be construed as imposing liability on Tenant for: (i) personal injury arising from causes clearly beyond Tenant's control, (ii) property damage caused by natural disasters, or by persons other than Tenant or Tenant's guests/invitees. Clauses (i) and (ii) in the immediately preceding sentence are not intended to affect ordinary maintenance obligations assumed by Tenant under this Lease.

- 42. The terms "Landlord" and "Tenant", when used herein shall be taken to mean singular or plural, masculine or feminine, as the case may be, and the provisions of this document shall bind the parties, their agents, their estate, and their assigns.
- 43. **NOTICE:** You may obtain information about the sex offender registry and persons registered with the registry by contacting Wisconsin's Department of Corrections at http://offender.doc.state.wi.us/publicor at 1-877-234-0085.
- 44. **SEVERABILITY:** If any provision or clause in the Lease or any addendums, or any remedy herein provided, is determined by a court of law to be invalid, then such provisions or clauses shall be deemed automatically adjusted to conform to the requirements for validity as declared at such time and, so adjusted, shall be deemed a provision or clause of this Lease as though originally included herein. In the event the provision or clause invalidated is of such a nature that it cannot be adjusted, such provision shall be invalid and deemed omitted from this Lease. The remaining provisions of this Lease shall remain in full force and effect.
- 45. **PARKING:** Unless included, a parking contract must be entered into between Landlord and Tenant before automobile parking is allowed on the property. Availability of rented parking is not guaranteed. In the event Tenant uses Landlord's parking facility without a valid parking contract at any time, Tenant expressly understands and agrees that Landlord will not be responsible and Tenant will be solely responsible for any and all damage to Tenant, Tenant's guest(s) and/or property and Landlord, Landord's guest(s) and/or Landlord's property. Tenant understands and agrees that subletting and/or renting of any parking, including but not limited to garages, driveways and/or other spaces for vehicles, even when included in the Lease, to another party is strictly prohibited.
 - a. No vehicles or mopeds may be parked on the lawn, in front of the building, on or near any bicycle racks, in common areas or any unauthorized place at the Property, or outside of designated areas at any time without prior Landlord approval.
 - b. Tenant understands that overhead garage doors (where applicable) open and close automatically.  - e. Temporary parking permits may be available for an additional cost, subject to availability and with prior Landlord approval.
 - f. For information pertaining to street parking, please go to https://www.cityofmadison.com/parking-utility.
- 46. MOLD ADDENDUM

Mold is found virtually everywhere in our environment-both indoors and outdoors and in both new and old structures. Mold is a naturally occurring microscopic organism. We have all lived with mold spores all of our lives. Mold breaks down organic matter in our environment and can be transported by shoes, clothing, and other material. If excessive moisture becomes present, mold can grow. It is undetermined what constitutes a sufficient accumulation of mold which could lead to adverse side effects. Precautions regarding mold need to be taken. **Tenant(s) hereby agrees to the following condition of tenancy:**

MOISTURE ACCUMULATION: Tenant(s) shall remove visible moisture accumulation in or on the Leased Premises, including windows, walls, ceilings, floors and all other surfaces as soon as reasonably possible after occurrence. Tenant(s) agrees to use exhaust fans (where applicable) when cooking with open pots and in the bathroom before, during, and after showering. Tenant(s) agrees to keep climate and moisture in the Leased Premises at reasonable levels.

- 1. APARTMENT CLEANLINESS: Tenant(s) agrees to keep the residence clean, particularly in the kitchen, bathrooms, carpets and floors, including vacuuming regularly, mopping floors and using household cleaner on hard surfaces. It is important to remove dirt and debris that can harbor mold.
- 2. NOTIFICATION OF MANAGEMENT: In order to remedy or repair the situation as necessary, promptly notify the Landlord in writing if any of the following shall occur:
- a. A water leak, excessive moisture or standing water on the Leased Premises.
- b. A water leak, excessive moisture or standing water in a common area including Tenant's garage, basement, storage area. Landlord cannot and does not guarantee dryness in any garage, basement, and/or storage space (if applicable) and is not responsible for any damages caused by humidity, moisture and/or water, except if caused by the negligent acts or omissions of Landlord.
- c. Mold Growth in or on the Leased Premises that persists after Tenant(s) has (have) attempted several times to remove with household cleaners (Lysol, Pine-Sol, Tilex Mildew Remover, Clorox Cleanup or a combination of bleach and water).
- d. Any air conditioning, heating or ventilation system problems you may discover.
- **3. AVOIDING MOLD GROWTH:** In order to avoid mold growth, it is important to avoid excessive moisture build-up in your residence. Prolonged moisture can result from various sources, such as:
- a. Leaking windows and doors.
- b. Bathroom, washer/dryer, dehumidifier, refrigerator overflow.
- c. Plumbing leaks.
- d. Washer/dryer leaks, spills.
- e. Shower stalls and bath floors.
- 4. TREATING MOLDS THAT HAVE ALREADY OCCURRED ON NON-POROUS SURFACES: The EPA recommends that you first clean the area with soap and water (always apply cleaner in an area five or six times larger than the visible mold). Allow to dry thoroughly. Within Twenty-Four (24) Hours, apply a pre-mixed household biocide (Lysol, Pine-Sol, Tilex Mildew Remover, or Clorox Cleanup). Be sure to follow directions. Not all cleaners will kill mold. Tilex or Clorox contain bleach, which can discolor and stain. Do not apply biocides to porous areas.
- **5. COMPLIANCE:** Complying with this Addendum will help prevent mold growth in your dwelling, and both Tenant(s) and Landlord will be able to respond correctly if problems develop that could lead to mold growth. Non-compliance of this Addendum shall be deemed a violation under terms of the Lease. Please contact Landlord if you have further questions.
- **6. PROPERTY LIABILITY:** if you fail to comply with this Addendum, you may be held responsible for property damage and health problems that may result. Problems cannot be repaired without proper and prompt notification to Landlord.
- 7. LIABILITY: Tenant(s) shall be liable to Landlord for damages sustained to the Leased Premises, unless caused by natural disasters or by persons other than Tenant or Tenant's guests or invitees. Except for Landlord's negligent acts or omissions, Landlord shall not be responsible or liable for damages or loss to Tenant's person or property as a result of Tenant's failure to comply with the terms of this Addendum.

ADDENDUM SUPERSEDES LEASE: In case of a conflict between the provisions of this Addendum and any other provisions of the Lease, the provisions of the Addendum shall govern.

The undersigned acknowledge having read and understood this Mold Addendum and agree to the terms and conditions as stated above.

- 7. **RELATIONSHIP**. Tenant acknowledges that the Landlord (or its Agent/Property Manager) is not a licensed insurance agent and therefore nothing herein shall be considered a solicitation of insurance, as defined under state licensing.
